ORIGINAL STORY BY
"ANGEL" IN ACTION!

AUTUMN NEW SERIES
EXTRA LARGE!

The battle set in
the open sea of
Tokyo Bay
University Town
between the boys
and the "Angel" is
about to begin!!

This world
is unaware
of the threat
of "Angel's"
presence...

To be exact,
I like to shape it
into something.

I like
to fold
paper.

Origami, the
composition of
simple lines and
shapes, can re-
flect a different
expression from
every person who
folds it... just like
a kaleidoscope.

It
starts from
nothing into
something.

The
moment
that life
is born.

1997

Plus
one!!

That's why
something
with shape
is more
attractive.

It is
born with
emptiness
and nothing-
ness.

Today is the

this morning,
an earthquake
occurred
around

According
to the
government,
the Tokyo Bay

caused by the
appearance of
an "Angel".

SENA STUDENTS SUCCESS-
FULLY DEBATED THE "MAGI."

According
to the Combat
Division that
has been
deployed from
Sena High, the
damage has been
minimized.

As of
now, the
government
and the
"SENA" are
still doing
repairs.

Because
of the
earthquake,
5000 houses in
15 districts,
including the
Mitsui, Kito,
and Shinagawa
districts, are
in a temporary
power outage.

Well,

Even though we have
undergone strict training
at Sukai, he can damage
the Angel with only
Ether Power... without
the use of Mithril.
And with just a few
drops of blood...
